A Note from the Director

“Anything We Can Do is Better Than Nothing”

We didn't know if we could have auditions at school.
We didn't know if we could have rehearsals at school.
We didn't know if we could have the show at school.

But anything was better than nothing.

We didn't know if we would have costumes.
We didn't know if we would have props or sets.
We didn't know if we would have volunteers.

But anything was better than nothing.

We started with hope and little by little we ended up with a show.
And this show is SOMETHING!

We have warring MCs to set the stage.
We have singing Romans- in Forum (and rage).
We have dancing puppets on their strings.
We have Matildas doing Naughty things.
We have revolting children fists in air.
We have orphans singing everywhere.
We have witches who are taking flight.
We have Newsies who are ready to fight.
We have Hamilton to end the night.

Thank you to Chris, Crissy, Kristin, and Any.

This show could not have happened without your energy, enthusiasm, time, talent, and sacrifice. It was a whirlwind, but we all made it!

It is amazing to me that it was 11 years ago that I said, “Let's do a show!” and Chris Emerson said “I'm in!” We are 10 shows in and I am so grateful for the wonderful community this program has created at Creek View. The best friends I have made in Alpharetta have all been formed during this musical program.

We are glad you and your child are on this musical journey with us!

Liz Crane
